How to get to Umhlanga

The greater Umhlanga area extends from the mangove forest at the mouth of the Umgeni River in the south, to the mouth of the Tongaat River in the north. This gorgeous stretch of coastline is KwaZulu-Natal's most exclusive playground, with postcard-perfect beaches, high-end shopping, vibrant nightlife and fine dining.

Fly in

Two airports service the Umhlanga area. The world-class King Shaka International Airport is just 12 kilometres from Umhlanga and offers direct international as well as domestic flights to all of South Africa's major cities, making Umhlanga the perfect stepping stone to the rest of southern Africa. The airport was named the 'Best Regional Airport in Africa' at the Skytrax World Airline Awards 2010/2011.

Just south of Umhlanga in Durban North, Virginia Airport serves light and private commuter aircraft, and is home to a number of aircraft and helicopter flight training schools and charter operators.

By car

From Johannesburg and Pietermaritzburg

From the N3 approaching Durban, take the turn-off to the N2, North Coast. Follow the N2 northwards and take the turn-off signposted Mount Edgecombe/Umhlanga. Turn right at the traffic lights onto the M41 East. Go under the Millennium Bridge and take the turn-off signposted M12/Umhlanga Rocks Drive. Turn left onto the M12. Proceed straight at the first turning circle, and turn right at the second turning circle. Continue downhill until you reach Umhlanga.

From Durban

Follow the M4 north until you come to the Umhlanga turn-off. Alternatively take the N3 west from the city centre to Spaghetti Junction. Take the N2 north to Umhlanga signposted North Coast.

Welcome to Umhlanga!

A message from the Chairman of Umhlanga Tourism, Peter Rose

Umhlanga's fascinating history plays an integral part in one's appreciation of the wonderful province of KwaZulu-Natal. The Umhlanga area is a great tourist destination with a sub-tropical climate, year-round warm waters and golden sands that stretch for many kilometres in each direction.

mhlanga, which lies just 15km north of Durban, was initially inhabited by the San people as there was a generous supply of fresh water flowing through the adjacent forests into the Umhlanga lagoon. In later years, it was inhabited by the Zulu people who lived off the abundance of fish in the sea and wild game in the area.

In 1869, the first beach cottage in Umhlanga, the Oyster Lodge, was built. Approximately 80 years later in 1947, it was replaced by Umhlanga's most prominent hotel, the Oyster Box. Umhlanga Rocks became a village in 1931 and the famous red and white lighthouse was constructed in 1954. The lighthouse was erected to warn ships about the dangers of the rocks along the coastal areas of Umhlanga.

There are large numbers of marine, wildlife and bird species in Umhlanga. These can be found in the local nature reserves, lagoon, sea and forests. There are guided walks for visitors and tourists. Phone Umhlanga Tourism for contact details of local guides.

Over the years, Umhlanga has become the most sought after holiday and business destination in South Africa. It boasts some of the most exclusive hotels, self-catering apartments, sophisticated guesthouses and a world-class beachfront promenade that spans the entire length of this resort paradise. Fine dining, beautiful shopping malls and many fabulous suburbs are all part of the Umhlanga scene.

I extend a warm welcome to the weary travellers who visit this wonderful region, and invite them to unwind and enjoy the paradise known simply as 'Umhlanga'.

Hamba kahle (Go well).

Peter Rose, Chairman, Umhlanga Tourism 031 561 4257 - Tourism Office

Sunshine, BEACHES & OCEAN

Umhlanga Rocks is situated on the edge of the Indian Ocean, and its beaches offer excellent swimming and surfing within walking distance of the Umhlanga village centre.

here are close to 300 days of sunshine a year, and the seawater is warm enough to swim in throughout summer and winter. Umhlanga Main Beach and the neighbouring Bronze Beach to the north are protected by shark nets and stationed by well-trained professional lifeguards. The 2.7km O'Connor Promenade was recently upgraded, and runs from Durban View Park to Umhlanga Lagoon Nature Reserve. The promenade is a favourite for walkers and runners, and is dotted with restaurants, takeaways, ablution facilities and ice cream sellers. The boat launch site at Granny's Pool adjacent to the lifesavers' clubhouse allows visitors to get out onto the water to fish from fishing charter boats.

To the north, the seaside village of Umdloti is set against green hills and lush vegetation. It has some of the best beaches in the area, with a rock-enclosed tidal pool and a wide lagoon. There is excellent fishing off the rocks and safe swimming.

Further along the coast are Westbrook and Tongaat. These beaches are quiet and offer great swimming and surfing, as well as a launching area for boats.

The O'Connor Promenade is a favourite with walkers and runners.

Fishing off Umhlanga beaches has its rewards.

Bottlenose dolphins can be spotted all year round.

Snorkelling and diving

There are a few good dive spots right off Umhlanga, and the best diving conditions are to be found in the winter months. The T-Barge, Lighthouse Reef, the Trawler of Fontao and Dolphin Reef attract everything from moray eels to tropical fish. One of the best snorkelling spots in the area is at the northern end of Umdloti's Beach Road. A line of rocks encloses an enormous tidal pool, home to large cowries, crayfish and a variety of tropical fish.

Learn all about sharks

The KZN Sharks Board (KZNSB) in Umhlanga has a display hall with life-size replicas of sharks, fish and rays, and offers a 25-minute

KZN Sharks Board employees service the shark nets.

presentation on the work it does and the importance of sharks in the marine ecosystem. You can also experience a 20-minute shark dissection, where you can learn about – and smell – the internal machinery of the ocean's fiercest predator. The KZNSB services shark nets, which provide protection against shark attacks at 38 localities.

The presentation and shark dissection is offered at 9am and 2pm Tuesdays to Thursdays and at 1pm on the first Sunday of each month.

Enjoy UMHLANGA'S NATURAL HERITAGE

Despite Umhlanga's growth boom in the last twenty years, it's still home to some pristine natural areas. The O'Connor Promenade ends where the Umhlanga Lagoon Nature Reserve Trail begins.

here is a well-marked path that winds through pretty coastal forest on boardwalks that cross the Ohlange River on its way to the lagoon, buttressed by dunes. Benches and picnic spots are dotted throughout, and you can follow the trail to reach the beach and the lagoon, and the remains of a Stone Age seashell midden can also be found to the north of the lagoon.

The adjacent **Hawaan Forest Reserve** is inland of **Umhlanga Lagoon Nature Reserve**. This indigenous woodland has remained in its natural state for centuries, and is characterised by important species of trees with tropical attributes, and many small animals. Entry is restricted, so phone ahead to book a guided walk.

Hazelmere Dam and Resort, a few kilometres inland from Verulam, is a favourite watersport destination. There are also picnic spots, and game such as zebra and wildebeest can be seen. **Dudley Pringle Dam** north of Umdloti is another dam with prolific birdlife.

Situated on the north bank of the Umgeni River, the **Beachwood Mangroves Nature Reserve** is a 76-hectare reserve with the largest population of mangrove trees in the Durban area. A raised boardwalk through the mangroves gives visitors the opportunity to spot many rare bird species and the lopsided fiddler crabs that call the mangroves home. The reserve is open to the general public on the third Saturday of each month from 8am to 1pm. **Contact**: 082 559 2839

Gateway into Africa

The Umhlanga coastline is the perfect stepping stone to the rest of southern Africa, connected to all the major destinations by road and air. It is a short drive to two World Heritage sites: the majestic mountains of the **uKhahlamba-Drakensberg Park** in the west and the **iSimangaliso Wetland Park** in the north, which is approximately a three-hour drive by car or motorboat.

Wonderful birding spectacle

In mid-October every year, millions of Barn Swallows arrive in KwaZulu-Natal from Europe, before flying back in mid-April. Every evening just before sunset, the swallows fly in from all directions and gather together into a giant, swirling flock over the **Lake Victoria Wetlands** at **Mount Moreland** Village near Umdloti. As the sun sets, the entire flock drops almost as one into the reed bed to roost for the night. There is an elevated viewing site over the reed beds, which is accessible to visitors every day. To get to the viewing site, take the Umdloti/Verulam exit from the N2 north and turn left towards the town of Verulam. After about 1km, turn right onto a dirt road and follow the signs for about 4km to Mount Moreland village. For more information, call Hillary Vickers on 031 568 1671 or visit www.barnswallow.co.za.

Non-stop SPORT & ADVENTURE

Umhlanga visitors are spoilt for choice when it comes to top notch sporting facilities and adventure activities.

ea kayaking is a rapidly growing sport, and anglers often fish off paddle skis where they catch dorado and barracuda. The best shore angling spots are off the rocks at Umdloti and La Mercy.

If you like exploring trails at speed, mountain biking, dirt biking and quad biking are all offered, from tours to day excursions to outrides. If you fancy a flip through the air, microlighting and helicopter flights are offered from Virginia Airport. Contact: 031 563 7101.

The annual Tour Durban cycle race (29 April 2018) is growing in popularity, offering mountain bike and road bike races of varying distances through the Durban and Umhlanga areas.

Swing away

Golfers are spoilt for choice with 11 courses all within a 35km radius of Umhlanga. **Mount Edgecombe**, just inland of Umhlanga, offers two championship golf courses designed to USPGA specifications. Both courses are challenging but fair, and provide a very agreeable round of golf. **Contact: 031 539 5330**. South of Umhlanga is the 5 883-metre **Durban Country Club Beachwood Golf Course**, one of the area's most beautiful courses with its undulating fairways lined by tropical bush. **Contact: 031 564 4257**.

A pleasant round of golf at Mount Edgecombe Country Club. Hire a chartered boat for an exciting boat trip.

The Umgeni River looking towards Moses Mabhida Stadium.

Hit the waves

The Umhlanga area has some powerful waves, and the best surf spots are at Umhlanga Main Beach, Umdloti and Westbrook. The waves at Umdloti and Umhlanga are classic beach breaks that work on any size swell from two to six foot. Westbrook is a fickle right hander that breaks along a shelf of rocks. All these spots work on light offshore winds, and conditions are best in winter (between April and August), especially in the early morning when the land breeze blows. There are loads of surf shops in the area where you can buy all the gear and find out about lessons for beginners. When the surf's not great, the Wave House at Gateway has standing waves suitable for newbies and advanced surfers.

Durban's iconic Moses Mabhida Stadium

A visit to the Moses Mabhida Stadium in Durban, just 15 minutes south of Umhlanga, is a must-do. This incredible facility was a key stadium during the 2010 Soccer World Cup and hosted a semi-final. Visitors can take the SkyCar to a viewing platform on the top of the iconic arch 106 metres above the pitch for a 360° degree view.

For the brave visitor, the Big Swing is the largest swing of any kind in the world. Jump into the void and swing out in a huge 220-metre arc under the arch.

Extravagant SHOPPING EXPERIENCE

From pavement sellers and local crafts to boutique shopping and malls where everything is on offer, Umhlanga is a shopping Mecca.

ateway Theatre of Shopping is the biggest mall in the southern hemisphere, and over two million people visit it every month, thanks to a wide range of shops, restaurants for every taste and fun activities, such as a skatepark, funfair and cinemas.

La Lucia Mall is a lovely suburban mall with a relaxed atmosphere and big brand stores.

An array of local arts and crafts is available from shops, markets and pavement sellers in the area. Zulu crafters are especially adept in beadwork, weaving, clay pots and wooden animal carvings. Many local crafts recycle used materials, such as plastic bags, oil tins and beer cans, turning waste into art.
