A warm welcome from Umhlanga Tourism

The sun-blessed collective suburbia of Durban North, Verulam, Umdloti, Tongaat, Westbrook, Mount Edgecombe, Sunningdale, La Mercy, La Lucia and the internationally -renowned borough of Umhlanga Rocks itself join together as Umhlanga Tourism to extend a typically warm South African welcome to you, our visitors.

Nestling on the eastern seaboard of Africa with the warm Indian Ocean lapping at her shores, this cluster of vibrant 'villages' encompasses ancient forests, lagoon and mangroves. The history of the present-day Umhlanga dates back to the time of our First-

Nation people, the Koi San Bushmen- tiny hunter-gatherers who roamed this region long before any later-arriving nations.

Phoenician, Arab and Chinese seaman followed this marine routing, eager to trade.

The weather is superb, the Indian Ocean is welcoming and we take pride in having golden Blue Flag beaches that are both stunning and safe.

Beach activities led by world-renowned surfing, kite board surfing, body boarding, tanning on the beach, internationally-famous historical sites, world-class golf courses, the exciting world of thoroughbred horseracing and 'down the road'.... You are able to experience exciting 'Big Five' reserves.

Greater Durban, a mere 12 kilometers away, is an exciting multi-cultural city where the Zulu nation meets East and West A wealth of influences that entertain and enthrall.

Colonial history came to the fore on this coastline in the 19th century. Into this period, Mahatma Gandhi, a young English-trained barrister, stepped onto the international stage, cutting his teeth in world politics after living in Phoenix, Durban. You can visit his Phoenix Settlement and home in Inanda 12 kilometers from Umhlanga`s Iconic lighthouse. According to former President Nelson Mandela, Inanda is one of the most historically important areas in South Africa and because of this, he chose to cast his first vote in this unique corner of Greater Durban.

Sunshine, Beaches & Ocean

Umhlanga Rocks is situated on the edge of the Indian Ocean and its beaches offer excellent swimming and surfing within walking distance of the Umhlanga village centre.

There are close to 300 days of sunshine a year, and the seawater is warm enough to swim in throughout summer and winter. Umhlanga Main Beach and the neighbouring Bronze Beach to the north are protected by shark nets and stationed by well-trained professional lifeguards. The 2.7km O'Connor Promenade runs from Durban View Park to Umhlanga Lagoon Nature Reserve. It is a favourite for walkers and runners, and is dotted with restaurants, takeaways, ablution facilities and ice cream sellers. The boat launch site at Granny's Pool, adjacent to the lifesavers' clubhouse, allows visitors to get out onto the water to fish from fishing charter boats.

To the north, the seaside village of Umdloti is set against green hills and lush vegetation. It has some of the best beaches in the area, with a rock-enclosed tidal pool and a wide lagoon. There is excellent fishing off the rocks and safe swimming.

Further along the coast are Westbrook and Tongaat. These beaches are quiet and offer great swimming and surfing, as well as a launching area for boats.

Fishing off Umhlanga beaches has its rewards.

The best snorkelling conditions are in winter.

Bottlenose dolphins can be spotted all year round.

Snorkelling and diving

There are a few good dive spots right off Umhlanga, and the best diving conditions are to be found in the winter months. The T-Barge, Lighthouse Reef, the Trawler of Fontao and Dolphin Reef attract everything from moray eels to tropical fish. One of the best snorkelling spots in the area is at the northern end of Umdloti's Beach Road. A line of rocks encloses an enormous tidal pool, home to large cowries, crayfish and a variety of tropical fish.

Learn all about sharks

The KZN Sharks Board (KZNSB) in Umhlanga has a display hall with life-size replicas of sharks, fish and rays, and offers a 25-minute presentation on the work it does and the importance of sharks in the marine ecosystem. You can also experience a 20-minute shark dissection, where you can learn about – and smell – the internal machinery of the ocean's fiercest predator. The KZNSB services shark nets, which provide protection against shark attacks at 38 localities.

The presentation and shark dissection are offered at 9am and 2pm Tuesdays to Thursdays and at 2pm on the first Sunday of each month.

Enjoy Umhlanga's Natural Heritage

Despite Umhlanga's growth boom in the last twenty years, it's still home to some pristine natural areas. The O'Connor Promenade ends where the Umhlanga Lagoon Nature Reserve Trail begins.

There is a well-marked path that winds through pretty coastal forest on boardwalks that cross the Ohlange River on its way to the lagoon, buttressed by dunes. Benches and picnic spots are dotted throughout, and you can follow the trail to reach the beach and the lagoon, and the remains of a Stone Age seashell midden can also be found to the north of the lagoon.

The adjacent **Hawaan Forest Reserve** is inland of **Umhlanga Lagoon Nature Reserve**. This indigenous woodland has remained in its natural state for centuries, and is characterised by important species of trees with tropical attributes, and many small animals. Entry is restricted, so phone ahead to book a guided walk.

Contact: 031 561 2271

Hazelmere Dam and Resort, a few kilometres inland from Verulam, is a favourite watersport destination. There are also picnic spots, and game such as zebra and wildebeest can be seen. **Dudley Pringle Dam** north of Umdloti is another dam with prolific birdlife.

*The Beachwood Mangroves Nature Reserve.
(Picture courtesy of Durban Green Corridor)*

Situated on the north bank of the Umgeni River, **Beachwood Mangroves Nature Reserve** is a 76-hectare reserve with the largest population of mangrove trees in the Durban area. A raised boardwalk through the mangroves gives visitors the opportunity to spot many rare bird species and the lopsided fiddler crabs that call the mangroves home. The reserve is open to the general public on the third Saturday of each month from 8am to 1pm.

Gateway into Africa

The Umhlanga coastline is the perfect stepping stone to the rest of southern Africa, connected to all the major destinations by road and air. It is a short drive to two World Heritage sites: the majestic mountains of the uKhahlamba-Drakensberg Park in the west and the iSimangaliso Wetland Park in the north, which is approximately a three-hour drive by car or motorboat.

A perfect wave off Umhlanga Main Beach.

Non-stop Sport & Adventure

Umhlanga visitors are spoilt for choice when it comes to top-notch sporting facilities and adventure activities.

Sea kayaking is a rapidly growing sport, and anglers often fish off paddle skis where they catch dorado and barracuda. The best shore angling spots are off the rocks at Umdloti and La Mercy.

If you like exploring trails at speed, mountain biking, dirt biking and quad biking are all offered, from tours to day excursions to outrides. If you fancy a flip through the air, microlighting and helicopter flights are offered from Virginia Airport. **Contact: 031 563 7101.**

The annual Tour Durban cycle race is growing in popularity, offering mountain bike and road bike races of varying distances through the Durban and Umhlanga areas.

Swing away

Golfers are spoilt for choice with 11 courses all within a 35km radius of Umhlanga. **Mount Edgecombe**, just inland of Umhlanga, offers two championship golf courses designed to USPGA specifications. Both courses are challenging but fair, and provide a very agreeable round of golf.

Contact: 031 539 5330. South of Umhlanga is the 5 883-metre **Durban Country Club Beachwood Golf Course**, one of the area's most beautiful courses with its undulating fairways lined by tropical bush. **Contact: 031 564 4257.**

Hit the waves

The Umhlanga area has some powerful waves, and the best surf spots are at Umhlanga Main Beach, Umdloti and Westbrook. The waves at Umdloti and Umhlanga are classic beach breaks that work on any size swell from two to six foot. Westbrook is a fickle right-hander that breaks along a shelf of rocks. All these spots work on light offshore winds, and conditions are best in winter (between April and August), especially in the early morning when the land breeze blows. There are loads of surf shops in the area where you can buy all the gear and find out about lessons for beginners. When the surf's not great, the Wave House at Gateway has standing waves suitable for newbies and advanced surfers.

Durban's iconic Moses Mabhida Stadium

A visit to the Moses Mabhida Stadium in Durban, just 15 minutes south of Umhlanga, is a must-do. This incredible facility was a key stadium during the 2010 Soccer World Cup and hosted a semi-final. Visitors can take the SkyCar to a viewing platform on the top of the iconic arch 106 metres above the pitch for a 360° degree view.

For the brave visitor, the Big Swing is the largest swing of any kind in the world. Jump into the void and swing out in a huge 220-metre arc under the arch.

Extravagant Shopping Experience

From pavement sellers and local crafts to boutique shopping and malls where everything is on offer, Umhlanga is a shopping Mecca.

Explore a world-class experience at one of the largest shopping and leisure destinations in the southern hemisphere. Revel in entertainment with a host of exciting options, including Snow Wonderland, Be.UP Park, Action Karting, Electric Avenue and Mr Funtubbles, or dine at a restaurant outlet for every taste. With over 450 stores, including local and international retailers, **Gateway Theatre of Shopping** is your first stop to exploring the beautiful East Coast.

La Lucia Mall is a lovely suburban mall with a relaxed atmosphere and big brand stores.

Cornubia Mall is less than 10 mins away from Umhlanga, Durban North and La Lucia using the N2 interchange, ensuring unobstructed direct access. It boasts over 100 stores and unlimited free parking, a 4DX Nu Metro cinema, three indoor soccer fields and Durban's first Bounce trampoline park.

An array of local **arts and crafts** is available from shops, markets and pavement sellers in the area. Zulu crafters are especially adept in beadwork, weaving, clay pots and wooden animal carvings. Many local crafts recycle used materials, such as plastic bags, oil tins and beer cans, turning waste into art.

The interior lights are on, and the sky is a deep blue. Several tall palm trees are planted in the foreground, and a paved walkway leads towards the entrance. People can be seen walking in the distance.

Gateway Theatre of Shopping is one of the biggest malls in the southern hemisphere, and over two million people visit it every month.

The Bird Show is the top attraction, where visitors can witness owls, macaws, kookaburras, toucans, vultures and many other species as they demonstrate what they would normally do in the wild. Shows are at 11am and 2pm every day, weather permitting.

Fun and comfort in Durban North

One of the many diverse restaurants in MacKeurtan Avenue.

Barn Swallows at Mount Moreland

From November to March, every day at sunset, hundreds of thousands of tiny Barn Swallows (*Hirundo rustica*) gather over the reedbeds at the Lake Victoria wetland, before diving down to roost for the night.

Witness this spectacular event at the Mount Moreland Lake Victoria viewing site. Bring a picnic and sundowners and enjoy the expansive views and tranquil surroundings while you wait for the birds to arrive.

The viewing site at Mount Moreland is open to visitors from 5pm - 7pm on Fridays, Saturdays and Sundays, in season, November to March.
